

Borough of Roselle Park

SIDEWALK PROGRAM

The Borough of Roselle Park is accepting requests for the Sidewalk Repair Program.

Under this program, the Borough will consider requests for repair of those sidewalks that are cracked, broken or severely lifted by trees planted between the sidewalk and the curb line. Requests are accepted on a "first come-first serve basis" and are not guaranteed for approval. There will be a limit on the number of repairs. If approved, the sidewalk will be repaired at the expense of the Borough of Roselle Park.

The criteria for requests are as follows:

The sidewalk must be broken or cracked by roots of a tree planted between the sidewalk and curb line.

Lifted sidewalks must be raised a minimum of 1 inch over the normal level plane of the sidewalk path.

Please note: It is strongly recommended that requests be sent Certified Mail so that you will have proof for your records.

Please complete application and send to:

Borough of Roselle Park
110 E. Westfield Avenue
Roselle Park, New Jersey 07204
Attention: Public Works

Name: _____

Address: _____

Telephone Number _____

Please indicate if the property is on a corner and where the repair is needed.
