## **The Borough of Roselle Park Awards Carmen Tailor as July's Small Business of the Month**

The Borough of Roselle Park's Small Business of the Month award has returned, and for its first month back, the Borough has named Carmen Tailor as July's Small Business of the Month.

This tailoring and dry cleaning business has rave reviews from residents across Roselle Park. Owner Carmen Morales was born in Chacas, Peru and had her first job as a tailor twenty-five years ago at a family business in Lima City. She worked there for fifteen years before deciding to open up her own tailoring business in Roselle Park, NJ in 2010.

Carmen prides herself on excellent customer service and providing her clients with a personal touch. She uses her customers as a source of motivation to continue offering great service that keeps people coming back.

"The drive and passion that Carmen has for her business is just one of the reasons why we chose to select Carmen Tailor as July's Small Business of the Month," said Mayor Joe Signorello. "Her business is loved and appreciated by many residents who depend on her and her talented team to meet their needs. I wish Carmen continued success with her small business in Roselle Park!"

Councilman Gregory Johnson concurs, believing Carmen Tailor was a perfect choice for this month's award. "Revitalizing this award is something we have wanted to do for a while, and I'm glad that Carmen Tailor is the first recipient of it," he said. "Recognizing and celebrating Roselle Park's small businesses is something I'm proud to be a part of. Congratulations, Carmen!"
